### DECISION SUMMARY

This filing is a certification of compliance for an emergency regulatory action to implement and make specific amendments to Education Code § 8263. The proposed regulations address eligibility, recertification and fee requirements for child care and development services for both at risk children and children receiving child protection services. The amended § 18078(g) of Title 5 of the California Code of Regulations (“CCR”) incorporates by reference a Family Fee Schedule. The Office of Administrative Law (“OAL”) had reviewed and approved the emergency regulations (OAL file number 05-0426-04 E) effective May 6, 2005. Please note that in order to keep the emergency regulations in effect while the State Superintendent of Public Instruction (“agency”) resolves the issues contained in this opinion, the agency re-adopted the regulations on an emergency basis with minor grammatical modifications effective October 14, 2005 (OAL file number 05-1007-01 EE). On October 14, 2005, OAL notified the agency of the disapproval of the above-referenced regulatory action.
